About Us

Who We Are

Velocity Micro is the premier high-performance innovator of consumer technology and electronics in North America. Since being officially founded in 1997, Velocity Micro's expertly crafted products have won over 60 Editors' Choice awards for their stunning design, innovative engineering, remarkable performance, and impeccable craftsmanship.

100% based in the USA in Richmond, VA, Velocity Micro now meets the needs of consumers and businesses with an extensive range of specially-designed, custom-built, award-winning products that include gaming desktops, enthusiast PCs, notebooks, professional workstations, servers, and small business solutions. If you can dream it, we can build it. Welcome to the New PC Experience.

To learn more about why tech enthusiasts have made Velocity Micro one of the fastest growing electronics companies in the USA, visit our [Why Velocity](#) page.

To read about where we've come from and how we continue to apply those core ideals to our current business, visit our [Velocity Story](#) page.
