

IN THE UNITED STATES DISTRICT COURT
FOR THE NORTHERN DISTRICT OF WEST VIRGINIA
CLARKSBURG

NOVO NORDISK, INC. and
NOVO NORDISK A/S,

Plaintiffs,

v.

CIVIL ACTION NO. 1:23-CV-13
(KLEEH)

VIATRIS INC. and
MYLAN PHARMACEUTICALS INC.,

Defendants.

ORDER

On June 28, 2023, the parties submitted their report of initial planning meeting [ECF No. 38]. Therein, they advised the Court that they were discussing a stipulation related to trying the patents-in-suit in the District of Delaware instead of this District. The Plaintiffs asserted that this case overlaps with other cases in Delaware and that they would dismiss this action upon finalizing an agreement with the Defendants. The Defendants stated that they had already agreed to proceed in Delaware at the Plaintiffs' request and so this duplicative action should be dismissed.

The Court **DIRECTS** the parties to submit a joint status report **no later than November 1, 2023**, addressing whether they have resolved this dispute and whether this action should be dismissed.

It is so **ORDERED**.

NOVO NORDISK, INC. V. VIATRIS INC.

The Clerk shall transmit a copy of this Order to counsel of record.

DATED: October 11, 2023
