Date: Friday, June 21, 2024 10:37:41 AM

Dear Jennalee:

In your email of June 13, 2024, you indicated that Regeneron would be producing the documents that Celltrion, Formycon, and Samsung Bioepis provided to you last Wednesday, June 12 no later than early this week. On our meet and confer last week, your colleague, Mr. Gregory, confirmed that the documents would be produced no later than early this week. It is now Friday and we have not received the documents. Please produce them immediately, no later than 5pm today.

Additionally, we note that a redacted version of the Order in the Mylan/Biocon case was publicly filed this morning (No. 24-md-3103, Dkt. 188). Please provide us with a copy of the Order with only Mylan/Biocon confidential information redacted no later than Monday, June 24.

Best regards,
Brett

Please confirm by noon ET tomorrow (6/13) that it will be produced immediately (no later than June 13, 2024).

Please also confirm by noon tomorrow that Regeneron will be producing the additional documents that were provided by Celltrion, Samsung, and Formycon by the end of the week.

Best regards,
Brett
