S I R:

Applicant submits herewith a request to change the entity status for the above-referenced patent from small to undiscounted.

Also, pursuant to 37 C.F.R. § 1.28(c), submitted herewith is Form PTO-2038 authorizing payment for deficiency owed for a previous erroneous payment of a small entity fee. On October 1, 2012, payment of \$2,365.00 was submitted for the 11.5-year maintenance fee corresponding to small entities. Since that time, it has been determined that when that payment was made, the conditions for small entity status were no longer satisfied. Submitted herewith is \$5,035.00, the difference between the current fee amount (for other than a small entity) of \$7,400.00 and the amount of the previous erroneous (small entity) fee payment (\$7,400.00 – \$2,365.00 = \$5,035.00).
