Alexandria, Virginia 22313-1450

THIRD REQUEST FOR RECONSIDERATION OF PETITION DECISION

Sir:

This is in response to the Petition decision mailed September 22, 2014.
Please reconsider the decision in view of the following remarks.

The decision states:

A grantable petition under 37 CFR 1.78(a)(3) must be accompanied by the following:

- (1) the reference required by 35 U.S.C. 120 and 37 CFR 1.78(a)(2)(i) to the prior-filed application, unless previously submitted;
- (2) the surcharge set forth in 37 CFR 1.17(t); and
- (3) a statement that the entire delay between the date the claim was due under 37 CFR 1.78(a)(2)(i) and the date the claim was filed was unintentional.

The decision states the Petition fails to comply with items (1) and (3) above. Regarding requirement (1) the decision states the ADS submitted is defective. Applicant submits a Supplemental Application Data Sheet.

Regarding requirement (3), the decision states, "Petitioner did not provide an updated statement of unintentional delay...." Petitioner respectfully disagrees, because page 3 of the prior Request for Reconsideration states, "The entire delay between the date the claim was due under 37 CFR 1.55(a)(1) and the date the claim was filed was unintentional." This remains true. The entire delay between the date the claim was due and the filing of this petition was unintentional.

No additional surcharge should be owed, but the Director is hereby authorized to charge any deficiency in fees filed, asserted to be filed, or which should have been filed herewith (or with any paper hereafter filed in this application by this firm) to our Deposit Account 14-1437. Please credit any excess fees to such account.

Respectfully submitted,
NOVAK DRUCE + QUIGG, LLP

/Michael P. Byrne/
