**Interview Summary**

Commissioner for Patents

Dear Sir:

The Applicants thank Examiner Rademaker for the courtesy of a telephone interview conducted on February 19, 2009. The Applicants discussed the possibility of resubmitting an IDS after receiving a notice of allowance. The IDS as originally submitted lacked the PTO 1449 form listing the references to be cited. The Examiner indicated that he would consider any foreign documents that were originally submitted with the IDS, but that a CPA should be filed if additional references were to be included.

Respectfully submitted,  
NUVASIVE, INC.
