#### FACTUAL BACKGROUND

- 13. ICON is an award-winning innovator in the field of exercise equipment and markets and sells a variety of consumer products.
- 14. ICON came to its position of technological leadership through hard work and substantial investment in research and development. As a result of its endeavors, many of the technological innovations created and owned by ICON are protected by a valuable and diverse intellectual property portfolio that includes patents, trademarks, trade dress, and copyrights.
- 15. Several of ICON's successful innovations have been in the design and development of treadmills, elliptical machines, exercise bikes, strength training equipment, and other fitness-related equipment, devices, and associated exercise and personal training services that ICON markets in connection with the trademarks I FIT and/or IFIT.COM.
- 16. ICON owns several federally registered trademarks including: United States Trademark Registration No. 2,618,509 ("'509 Registration"), for the mark I FIT, and United States Trademark Registration No. 2,466,474 ("'474 Registration"), for the mark IFIT.COM. These trademarks are hereafter referred to collectively as the "IFIT Trademarks."
- 17. The IFIT Trademarks are incontestable; which incontestability is conclusive evidence of the validity of the marks and registrations and of ICON's ownership of and exclusive

 ${M3033233;1}M3033233;1Page -3-$ 

right to use the marks in connection with the services set forth. The registrations also provide constructive notice of ICON's ownership of the marks.

- 18. ICON has developed recognition and goodwill for the products and services sold under the IFIT Trademarks, among both ICON's immediate customers and the consuming public, generally.
- 19. As a result of, *inter alia*, ICON's substantial investment in the IFIT Trademarks and the products and services marketed under those trademarks, the consuming public recognizes the IFIT Trademarks and associates products with those marks with a single source, namely ICON.
- 20. On information and belief, Defendants sell, offer for sale, advertise, and market exercise and personal training services under the marks "YOUFIT," "YF YouFit HEALTH CLUBS," and "YouFit HEALTH CLUBS" (collectively "offending marks").
- 21. On information and belief, Defendants sell and offer for sale within the United States exercise and personal training services that compete with ICON, including at least through their Youfit Health Clubs and its website, <a href="www.youfithealthclubs.com">www.youfithealthclubs.com</a>.
- 22. Upon information and belief, Defendants have used the offending marks to promote and sell their exercise and personal training services throughout the United States including within Florida and Arizona.
- 23. ICON offers exercise and personal training services in connection with ICON's IFIT Trademarks.
- 24. The offending marks, as used by Defendants, are confusingly similar to the IFIT Trademarks.
